

UNPERA

UNPERA
by rafa ortega

UNPERA

This family consists of a chair and an armchair. It is initially thought for confident and waiting zones, but it can be introduced in any place.

Its visual lightness and formal content give this line the elegancy required by the user for which it is designed.

The high quality fabrics chosen for the upholstery ensures a long lifespan. At the same time, the structure made of wood and steel provides elasticity and comfort.

This family includes chair, armchair and bench in chrome, grey and white.
