

ARIA

ARIA A

Aria A

The Aria A range is an ideal solution for managerial, executive and boardroom areas.

The simplicity of design and firm support is what sets this range apart from traditional office seating.

The Aria A range is now available with a memory return swivel option, this enables the chair to return to its original position when not in use.

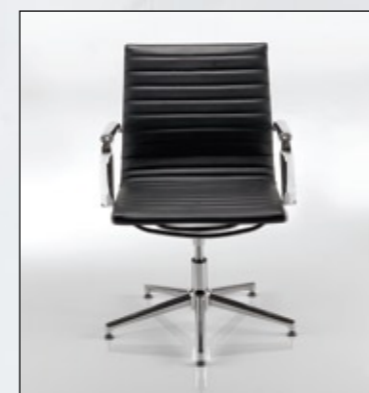

Standard Features

Knee tilt mechanism with:
Multi position lock and anti-kick brake
Variable tension adjustment
Chrome armrests
Leather arm sleeves
Chrome base
Soft castors

Optional Features

Glides
Memory return swivel option
(without height adjustment)

MODELS SHOWN: AH1 · AM2 · AMCA

AM3 (memory return swivel chair)

ARIA C

Aria C

The Aria C chairs are an ideal solution for managerial, executive and boardroom areas.

Featuring the classic and timeless lines of the A range, the Aria C range also benefits from the addition of soft padded cushioning which users will find beneficial for prolonged periods of seating.

The Aria C range is now available in a memory return swivel option, this enables the chair to return to its original position when not in use.
